

Job opportunity

Data Analyst

Are you looking for a new challenge or project?

Where will you work

A technological organization with the responsibility to ensure the correct operation and maintenance of the Portuguese Top-level domain, .pt, is hiring a Data Analyst for its office in Lisbon.

Your new role

You will be responsible for collecting and analyzing large amounts of data/information from sales, market and others, which will be processed and presented to the Board, allowing projections and scenarios to support decision making.

O que necessitas para ser bem-sucedido(a)

BSc and/or MSc in Computer Engineering, Mathematics or other related field, with 1 to 3 years of experience in similar functions.

Knowledge of Business Intelligence.

Solid knowledge of software engineering principles, algorithms, data structures and OO programming.

Object oriented programming skills (C# or similar language).

Knowledge in SQL and relational databases such as SQL Server, MySql and others.

Knowledge in NoSql and non-relational database like MongoDB is valued.

Knowledge of DNS and DNSSEC is valued.

Knowledge of business - domain name registration is valued.

Knowledge of agile working practices such as SCRUM.

Good level of spoken and written English.

Critical sense and analytical skills.

Initiative and autonomy at work.

Your new responsibilities

- Analyze data and results using statistical techniques and provide ongoing reports to the Board to support decision making.
- Develop and implement databases, data analysis and other strategies that optimize efficiency and statistical quality.
- Deliver data to management that translate trends or patterns of business, customers, competition, others.

What we can offer you

Integration in a solid, digital and with growth perspectives organization, focused on the use of innovative technologies.

Initial and continuous training.

Integration in a dynamic and motivated team, with a good working environment and a culture of excellence.

Hybrid system and flexible working hours.

A range of other benefits that exist in the organization.

At .PT it does not matter the nationality, origin, ethnicity, religion, gender or sexual orientation. We focus on the principle of equal opportunities. Everyone is important to achieve organizational success!

If you have these skills, a positive attitude, a focus on problem-solving and presenting solutions, join our team.

We challenge and inspire our people to go further and bring innovative ideas.

We challenge you to be .PT!
