

Job opportunity

Innovation Specialist

Are you looking for a new challenge or project?

Where will you work

A technological organization with the responsibility to ensure the correct operation and maintenance of the Portuguese Top-level domain, .pt, is hiring a Data Analyst for its office in Lisbon.

Your new role

Contribute to the development and growth of the organization through innovation, research and development initiatives, oriented to the strategy, mission, vision and values of .PT.

What you need to be successful

BSc and/or MSc degree in Computer Engineering, Mathematics or equivalent, with a minimum experience of 2 years in similar functions.

Knowledge of innovation.

Knowledge of disruptive technologies.

Good level of spoken and written English.

Critical sense and analytical skills.

Initiative and autonomy at work.

Knowledge of DNS and DNSSEC is valued.

Knowledge of the business - domain name registration is valued.

Your new responsibilities

- Study, propose and implement initiatives or projects that promote R&D and innovation.
- Follow the execution and execute tests and monitor the projects and initiatives.
- Articulate the coordination of projects and initiatives with the stakeholders.
- Promote and articulate R&D and innovation with the different stakeholders of the organization.
- Study and propose new products and/or services and process improvements.

What we can offer you

Integration in a solid, digital and with growth perspectives organization, focused on the use of innovative technologies.

Initial and continuous training.

Integration in a dynamic and motivated team, with a good working environment and a culture of excellence.

Hybrid system and flexible working hours.

A range of other benefits that exist in the organization.

At .PT it does not matter the nationality, origin, ethnicity, religion, gender or sexual orientation. We focus on the principle of equal opportunities. Everyone is important to achieve organizational success!

If you have these skills, a positive attitude, a focus on problem-solving and presenting solutions, join our team.

We challenge and inspire our people to go further and bring innovative ideas.

We challenge you to be .PT!
