

Job opportunity

Cybersecurity Analyst

Are you looking for a new challenge or project?

Where will you work

A technological organization with the responsibility to ensure the correct operation and maintenance of the Portuguese Top-level domain, .pt, is hiring a *Cybersecurity Analyst* for its office in Lisbon.

Your new role

You will be responsible for contributing to high levels of information security, ensuring the monitoring and response process to security incidents and the management of the information security and business continuity system.

What you need to be successful

A degree in Information Technology or Information Security, with 2 years or more experience in a similar role;

Specialization in Cybersecurity;

Valued security certifications, namely: ISO27001; Security+; CISA, CEH, OSCP;

Knowledge in SIEM, communication networks, operating systems and database systems;

Knowledge of using information security tools such as nmap, nessus and metasploit;

Basic knowledge of network solution management and configuration, such as firewalls, ids, antispam and antivirus;

Experience in risk management, auditing, and IT security valued.

Your new responsibilities

- Ensure the operation of the Security Operations Center (SOC);
- Ensure the monitoring and response to security incidents and occurrences;
- Contribute to the development and implementation of the business continuity plan;
- Contribute to the maintenance of the integrated SGQSI system;
- Ensure the correct configuration of security sensors and endpoints;
- Adjust configurations, develop and implement new use cases;
- Support the integration of new sources of information (logs);
- Elaborate technical reports of the activities.

What we can offer you

Integration in a solid, digital and with growth perspectives organization, focused on the use of innovative technologies.

Initial and continuous training.

Integration in a dynamic and motivated team, with a good working environment and a culture of excellence.

Hybrid system and flexible working hours.

A range of other benefits that exist in the organization.

At .PT it does not matter the nationality, origin, ethnicity, religion, gender or sexual orientation. We focus on the principle of equal opportunities. Everyone is important to achieve organizational success!

If you have these skills, a positive attitude, a focus on problem-solving and presenting solutions, join our team.

We challenge and inspire our people to go further and bring innovative ideas.

We challenge you to be .PT!
